An Example Beamer Presentation

Your Full Name

Pierre Elliott Trudeau High School

September 19, 2025

Outline

Introduction

- Beamer is a class for creating presentations.
- You can use sections and subsections.
- Lists, math, and figures are supported.

Math on a Slide

Here's an inline equation: $E = mc^2$.

And here's a displayed one:

$$\int_0^\infty e^{-x^2}\, dx = \frac{\sqrt{\pi}}{2}$$

The history of the Earth

we are going to describe a person.
